Re: Notice of File Closure for Small Mining Activities, Utah Perlite/Black Rock,
S/027/009, Millard County, Utah

Dear Mr. Levay:

This letter is to notify you that file #S/027/009, for the Utah Perlite/Black Rock project, located in Millard County, Utah, will be retired from our files.

On July 10, 1995, the BLM inspected the project and found the reclamation satisfactory and they closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file.

If there are any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
